Smallest individual groups: Prod: Bruns & Cooper, 0.578" ; Hvy: Haralson, 0.443" ; Unr: Kaster, 0.424"

Ties broken on basis of greater number of 10s, 9s, 8s, etc.

A truly great turnout with two more entries than last year with only four not returned targets.  
A really unusual occurrence with two shooters having identical small groups in Prod class.

Congratulations are in order to all.

We are very pleased to enclose the appropriate award checks and certificates.
