Smallest individual groups: Issue: West, 0.930" ; Mod Iron: Beers, 1.148" ; Mod Scope: Enga, 0.632"

An interesting thing happened, none of the aggregate winners had the small group for their class

Ties broken on basis of greater number of 10s, 9s, 8s, etc.

A very good turnout this month with only 3 not returning their targets, out of 53 entries.

Congratulations are in order to all.

We are very pleased to enclose the appropriate award checks and certificates.
